

***Vision Document for the district
at 2047 (District @100)
100 Years of Indian Independence***

Shravasti(Uttar Pradesh)

“At the core of Good Governance is service delivery at the grassroots level. In Amrit kaal, we remain resolute in our efforts towards making a positive impact in people's lives and creating a developed India. ”

Shri Narendra Modi Ji, Hon'ble Prime Minister, India

India has celebrate its 75 years of freedom on 15th August 2022, and by 2047 it will be a 'Century of Independence for India.'

Our country and district Shravasti has made remarkable progress since independence. However, the transition since 1947 in terms of economic growth, Health, education, employment, urbanization, and development reflects the rural vs. urban scenario. The 'Vision 2047' attempts to foresight the growth story for the next 25 years.

Amrit Kaal- The Proposition for the Next 25 Years

The journey from 2022 till 2047 is being referred to as the ‘Amrit Kaal,’ a term primarily coined by Hon Prime Minister Shri Narendra Modi. Amrit Kaal is the period to attain the resolutions for ‘AatmaNirbhar Bharat.’ Therefore, the action plan for the next 25 years shall focus solely on the vision for India in 2047.

District Overview

Shravasti is one of the district of Uttar Pradesh curved from district bahraich on 22-05-1997. It is aapproximately 175 kilometers away from the uttar pradesh state capital, Lucknow. District Shares border with Nepal country. Shravasti is a historically famous district of eastern Uttar Pradesh.

It is closely associated with the life of Lord Buddha. It is one of the main site for Buddhist pilgrimage as well and Jain Pilgrimage.

According to hindu mythology a famous Historical temple Seeta Dwar of Shravasti is known as birth place of Luv and Kush, the son of Bhagawan Sri Ram. Apart from That a historical temple Vibhuti Nath of Bhagawan Shiv from mahabharat era is situated in dense suhelwa range forest also known as Gupt Kashi, It is believed that this Shivling was established by the Pandavas during their exile.

Present Status

The district has an area of 2458 Sq.Kms having 3 tehsils, 5 blocks and 536 inhabited villages. Main river is River Rapti. The projected population 2022 is 1305062 and the district is predominantly rural in nature.

Shravasti district curved from district Bahraich on 22-05-1997, which was very poor on various developments sectors. The key backward areas of the district were Health, Nutrition, Education, Agriculture, economic growth, employment, infrastructure, transportation and communication. Apart from that almost every year affected flood in river Rapti causes loss of life, wealth, infrastructure along backwardness of the district, which affects the development of the district.

According to the vision of the Hon Prime Minister of the country, Shri Narendra Modi Ji, district is given opportunity under aspirational district program running on 112 districts all over India. The district is moving fast on various parameters of development and many achievements have been achieved in the field of development in the district. The Aspirational Districts Programme (ADP) aims to quickly and effectively transform under-developed districts. This program focuses on the strength of district, identifying low-hanging fruits for immediate improvement and measuring progress by ranking districts on a monthly basis.

Focus is given for incremental progress made across 49 Key Performance Indicators (KPIs) under 5 broad socio-economic themes - Health & Nutrition, Education, Agriculture & Water Resources, Financial Inclusion & Skill Development and Basic Infrastructure.

Vision 2047
(100 Years of Indian Independence)
Health and Nutrition

The district was very backward in health and Nutrition services earlier, but after continuous improvements in health services, presently there are 01 Combined district hospital, 07 CHCs , 11 PHCs, 125 sub-centers (106 health and wellness centers) and 925 Anganwadi centers that are having acute shortage of staff, doctors, specialists etc. Shravasti is an international tourist place and is a border district of Nepal, so foreign patients also travel from here.

Under Vision 2047

- Medical College equipped with higher medical facilities and staff.
- Medical and Paramedical training institute for manpower strengthen.
- Mother and Child care wing in all CHC.
- Strengthen Anganwadi centers for nutrition management at gross root level.
